Curriculum Notes

¹ Students may choose the writing "Stretch" sequence of WRT 120 and WRT 130 or WRT 150

² Students may substitute PSY 300 (in place of AHS 301) that can also be used to fulfill one of two required SWS courses.

⁴ Students will need to choose a minor and/or elective courses to fulfill the 120 credits required to graduate.

Special Notes:

- This is a suggested curriculum guide that might not be applicable to every student.
- Courses that include 'GE' are required in the major **AND** fulfill a General Education requirement.
- Two (2) Supplemental Writing Skills (SWS) courses are required.
- Student must have a **minimum of 120 credits** to graduate with **58 of the 120 credits** being from a senior level institution and the **final 30 of the 120 credits** completed at GVSU.

The Communication Sciences and Disorders undergraduate major resides in the College of Health Professions (CHP)

Students are encouraged to work with the appropriate department in meeting the requirements of any declared minor or certificate.

Application Information for Communication Sciences and Disorders

Admission to the Communication Sciences and Disorders (CSD) major is competitive and requires an application for admittance. **Priority Application deadline is January 15th.** Late applications will be considered for qualified applicants if space is available in the program. Applicants must meet the following criteria:

- Cumulative 3.0 GPA or above in all college level coursework completed across all institutions attended.
- Completion of 45 credit hours recommended
- Statement of Professional Goals - Explain why you want to be speech language pathologist or audiologist, and identify preliminary area of interest or specialization.
- Completion of the following CSD foundation courses. Students may be enrolled in these courses at the time of application, but the courses must be completed prior to the fall start of the program.
 - ✓ CSD 100: Introduction to Communication Disorders
 - ✓ CSD 200: Introduction to Hearing Science
 - ✓ CSD 220: Communication Development
 - ✓ PSY 101: Introductory Psychology
 - ✓ PHY 200: Physics for the Life Sciences

Application review will begin immediately following the application deadline. Fulfillment of the minimum standards and submission of the required materials DOES NOT guarantee admission to the CSD major. Applicants will be notified of their admission status in writing.
