### Tips to keep things moving...

When there is a **tangent**:

- "That's interesting, but let's get back to inclusive thinking."
- "Let me read the question once more."

When there is **silence**:

- "Joe, we're interested in your take on that."
- "Anything that comes to mind, we're compiling ideas."

When there is **negativity**:

- "If you list obstacles, also offer a way around it."
- "We're going to focus on what should happen, not feasibility at this point."

When there is **dominance**:

- "These are good thoughts - let's see what others have to say."
- "You have a lot of experience here, let's see what other ideas there might be."
