

Engaging **diverse** students to develop their **leadership**, create their **community** and establish their **career**.

### Professional Class Professional Development Seminars

- The Professional Development Seminars are aimed at enhancing leadership and professional skills while also building a sense of community with peers.
- **The Professional Class focuses on Junior level students and beyond.** This class meets monthly to discuss leadership skills, professional communication, diversity and inclusion, and current events.
- The goal of these seminars is to build community and foster communication among Scholars.
- Students will learn and grow together, share meals and conversation, and establish friendships and supportive relationships in a collaborative, friendly environment.
