

How to Generate and Print a myPath

1. Go to www.gvsu.edu and locate the MyBanner link at the top of the page
2. Enter Your G# as the User ID and then enter your pin#
3. Click on **Student**

The screenshot shows the myBanner homepage for Grand Valley State University. The header includes the university logo and the 'myBanner' text. Below the header is a navigation bar with tabs: Personal Information, Student, Financial Aid, Faculty Services, Employee, and Finance. A search bar is located below the navigation bar. The 'Main Menu' section displays a welcome message and a list of links. A large red arrow points to the 'Student' link in the Main Menu.

[View Major and Advisor Information](#)

[Change Major](#)
Change or add a major, minor or concentration. Request a new advisor.

RELEASE: 8.3

6. If necessary, go to the new tab or window that opened up
(When you click on myPath another tab or window may open depending on your internet options. If you do not turn off pop up blockers you will not be able to access myPath.)

7. Double check that your major/minor options are correct (or what you want to look at during an advising appointment)

If the information for the major/minor is correct (red arrow) click on Print in the top toolbar menu (green arrow) and bring this to your appointment.

If the information is not accurate or does not reflect the program you want to discuss with your advisor you can use the "What If" tool to explore other options. Print what you have to verify you have accessed myPath and we can walk you through how to use the "What If" option when you get here.
