A Bachelor of Science requires the following course sequence: STA 215, PSY 300 and SAT 495. Alternatively, a Bachelor of Arts (B.A.) requires a third semester proficiency in a foreign language. A separate plan for a Bachelor of Arts is available.

The students' choice of Endorsements will determine if both PSY 310 and PSY 326 are required. Both are highly recommended.

*The block tuition rate is for 12-15 credit hours a semester. If you take more than 15 credit hours additional tuition will be assessed.
