¹ ¹ Students who self-place into WRT 120 should take this course in the fall semester and then take WRT 130 in the winter semester of their first year. Students who self-place into WRT 150 should normally take this course in the winter semester of their first year.

Students will not need to take WRT 120/130 or WRT 150 if they have earned credit for the course through AP/Dual Enrollment. A grade of C or better is required in WRT 130 or 150 in order to satisfy the WRT requirement at GVSU.

² Based on initial math placement, see advisor for specific details/recommendations

³ Minors are encouraged; “Elective” refers to any course needed in order to reach 120 total credits, which are required to earn a degree from GVSU. Additional degree requirements include completion of all major/minor requirements, all general education requirements, at least 58 credits from a 4-year institution, and the last 30 credits of the degree completed through GVSU.

Study Abroad: It is highly recommended that French majors study abroad for at least a semester, where they often fulfill 15 credits towards the major, including the Gen Ed **Issues** requirement. If this is not feasible, majors should consider a summer program such as the 6-week faculty-led program in Bordeaux and Paris, France.

It is imperative to meet with your faculty advisor and an advisor in the CLAS Academic Advising Center regularly.

The CLAS Academic Advising Center is located in C-1-140 MAK, 616-331-8585. Online at:
