Study Abroad Requirement

French majors interested in teacher certification are required to study abroad for **at least one semester** (12-15 credits at the 300-level) in a French-language study abroad program. Program must be approved prior to study abroad by a faculty advisor in French and can be used to fulfill major requirement courses. This is applicable for students who start fall 2014 and later. Students who are unable to complete the study abroad requirement will need to complete an **alternative plan** approved by a French advisor. Please meet with Professor Pettes-Guikema as soon as possible to discuss your options.
