

Helping Hands Needed

Support Our Community and Learn More About the Emergency Department

Munson Medical Center Emergency Department is looking for volunteers to greet our patients, round in the waiting room and patient rooms, and fill a variety of other roles.

This is a great opportunity to volunteer a few hours of your time to get to know our community and Emergency Department, and make a difference for our patients, their loved ones, and our Emergency Department team!

- Share your gift of time
- Experience a new healthcare environment
- Help care for our community

Visit munsonhealthcare.org/volunteer or email us at MHC-VolunteerSvcs@mhc.net to learn more.
