
2025-2026 Special Circumstances – Dependent Student

This form must be submitted by March 1, 2026 for the 2025-2026 academic year.

Occasionally, unusual circumstances exist that may warrant reconsideration of financial aid eligibility. These special circumstances may be either changes that have occurred in your family circumstances since you filed the Free Application for Federal Student Aid (FAFSA) or unusual family circumstances not accounted for on the FAFSA. On the following pages we have listed the circumstances that most commonly qualify a student to file a Special Circumstances request. Select as many circumstances that fit your current situation.

To Qualify for a Special Circumstances Review, You Must:

- Write a letter explaining your particular situation
- Choose one or more of the situations outlined on the following pages
- Complete all pages of this form
- Provide all requested documentation

If your circumstance(s) does NOT fit into one of the options, you may still file the Special Circumstances Form. Please attach a letter explaining your situation as well as any supporting documentation.

Please note: Filing this appeal does not guarantee additional financial aid. Some appeals may only result in the student receiving the maximum in subsidized loan eligibility and/or Pell grant eligibility. Please allow 3-4 weeks for processing.
