

Facing Senior Issues

According to the 2015-16 U.S. Census, 7,254 Grand Rapids residents over the age of 65 live alone. Across the nation, this population is expected to double between 2010 and 2030.*

Facing Senior Issues

How do we
accommodate the
rising need for
senior housing
options?

Facing Senior Issues

Building healthy neighborhoods
by providing creative, affordable
housing opportunities in
Grand Rapids.

New Development Corporation

GR HomeShare matches homeowners, or "providers" eager to share their home with home "seekers", in exchange for financial support, companionship or help with household chores. At least one member of the pairing shall be at least 55 years of age.

Share your home. Share your help. Share your life.

How can I get involved?

Be a provider. Be a seeker. Be a supporter.

Contact the GRHomeShare Program to donate,
request an application, ask questions, or refer friends.
