<sup>1</sup>CMB 155+156 can sub for BIO 120 for those students interested in research (with advisor approval). Preprofessional students should take CHM 115+116 instead of CHM 109.

<sup>2</sup> For students with the Advanced Waiver for Mathematics based on ACT/SAT scores, it is **STRONGLY RECOMMENDED** that proficiency in MTH 123 – Trigonometry – be demonstrated by either taking the MTH 123 course or by achieving a passing score on the GVSU math placement test **PRIOR** to taking PHY 220 and 221. Students who have AP/IB/dual enrollment credit for MTH 201 (Calculus I), or complete the MTH 122 and 123 proficiency tests, only need to complete STA 215. MTH 124 and MTH 201 will substitute for MTH 122 and MTH 123. **To take the Math Proficiency Tests online, visit: gvsu.edu/s/mv** <sup>3</sup> Students must have a minimum of 120 credits to graduate with 58 of the 120 credits being from a senior level institution and the final 30 of the 120 credits completed at GVSU. Elective refers to any course that will help meet these requirements.

<sup>4</sup>BMS 208, 290, and 391 substitutes for BMS 250, and CHM 241 counts in the Behavioral Neuroscience Electives for Preprofessional Students <sup>5</sup> Students who self-place into WRT 120 should take this course in the fall semester and then take WRT 130 in the winter semester of their first year. Students who self-place into WRT 150 can take it in either semester during their first year. Students will not need to take WRT 150 if they have earned credit for the course through AP/Dual Enrollment. A grade of C or better is required in WRT 130 or 150 to satisfy the WRT requirement at GVSU. <sup>6</sup> Students must complete two courses with an SWS attribute.

## Declaring the Behavioral Neuroscience Major:

- 1. In myBanner, select "Student" > "Student Records" > "Change Major" > "Change Major 1/Program"
- 2. Choose "Behavioral Neuroscience-BS" from the drop-down box.
- 3. Click "Submit" and then "Change to New Program"
- 4. Declare "PreProfessional Preparation" as your SECOND MAJOR if you are planning on medical, dental, pharmacy, chiropractic, podiatry, or optometry school.

## **General Education Overlap**

General Education Categories fulfilled by the Biomedical Sciences Major:		
Life Sciences with Lab: BIO 120	Physical Sciences with Lab: CHM 115	
Mathematical Sciences: STA 215, MTH 122, MTH 123	Social and Behavioral Sciences: PSY 101 and SOC 101	
Supplemental Writing Skills (SWS)-PSY 300		

It is imperative to meet with your faculty advisor and an advisor in the CLAS Academic Advising Center regularly. CLAS Academic Advising Center: C-1-120/140 MAK, 616-331-8585; schedule an appointment: <u>www.gvsu.edu/navigate</u>

## **Pre-Professional Students**

(Pre-Chiropractic, Pre-Dental, Pre-Medical, Pre-Optometry, Pre-Pharmacy, Pre-Podiatry, & Pre-Veterinary) To find more information on Pre-Professional programs, visit <u>www.gvsu.edu/clasadvising/preprofessional</u>
