¹ Students who self-place into WRT 120 should take this course in the fall semester and then take WRT 130 in the winter semester of their first year. Students who self-place into WRT 150 should normally take this course in the winter semester of their first year.

Students will not need to take WRT 120/130 or WRT 150 if they have earned credit for the course through AP/Dual Enrollment. A grade of C or better is required in WRT 130 or 150 in order to satisfy the WRT requirement at GVSU.

² Based on initial math placement, see advisor for specific details/recommendations

³ Minors are encouraged; "Elective" refers to any course needed in order to reach 120 total credits, which are required to earn a degree from GVSU. Additional degree requirements include completion of all major/minor requirements, all general education requirements, at least 58 credits from a 4-year institution, and the last 30 credits of the degree completed through GVSU.
