¹ Students who self-place into WRT 120 should take this course in the fall semester and then take WRT 130 in the winter semester of their first year. Students who self-place into WRT 150 should take the course in the fall semester. Students will not need to take WRT 150 if they have earned credit for the course through AP/Dual Enrollment. A grade of C or better is required in WRT 130 or 150 in order to satisfy the WRT requirement at GVSU.

² Students who opt for the WRT 120/130 stretch writing sequence should plan to take PSY 301 during the spring/summer semester between first and second year of the program. Honors College students do not take WRT 150, 120, or 130 as their sequence covers this requirement.

It is imperative to meet with your faculty advisors and an advisor in the CLAS Academic Advising Center regularly. The CLAS Academic Advising Center is located in C-1-140 MAK, 616-331-8585. Online at: <http://www.gvsu.edu/clasadvising>

3 Honors College students should consult with their Honors and CLAS Advisors for requirement overlaps. ** HNR 201 will cover HST 209, EDF 115 will cover HNR 300

4 Students must complete 102 in a foreign language, either through taking 101 and 102, or through the language placement

5 Classes with an asterisk * and that are underlined should be taken in the suggested semester in order to stay on track for Apprenticeship in the fourth year

Degree Requirements - PK-6 students can pursue a Bachelor of Arts or Bachelor of Science degree. Students who wish to obtain a BA instead of a BS must fulfill 3rd semester proficiency in a foreign language (201 level). The BS requirements are incorporated into the major requirements.
