

Faculty Biography

Chris Timmer

Teaching Disciplines:

Anatomy & Physiology

Teaching Philosophy:

Each person learns in a different way and discovering that is part of the journey. I try to facilitate an environment that presents students with the means to develop this skill.

Scientific Interests:

Serotonin receptor response in Crayfish to cannabidiol(CBD)
<https://scholarworks.gvsu.edu/theses/985/>

Professional Activities:

2nd Place 3-Minute Thesis presenter for 2018

Personal Interests:

I'm a pursuer of knowledge and I enjoy working with my hands on projects. Some include auto & home repair, cooking, woodworking, and gardening. I'm also a gamer and movie critic.

A Fun Fact:

I was homeschooled and I've lived in the same area all my life.
