B.S., Physiology, Michigan State University, 2020

## *Contact Information*

OFFICE: 236 HENRY

PHONE: 616 331 2393

EMAIL: [decoth@gvsu.edu](mailto:decoth@gvsu.edu)

#### **Teaching Disciplines:**

Anatomy and Physiology

#### **Teaching Philosophy:**

Anyone can bounce back from a bad grade and accomplish their goals. I try to encourage my students to take things in stride and to keep on keeping on – anything is possible if you can work for it.

#### **Scientific Interests:**

Lipidomics and Immunology

#### **Links to Publications:**

<https://www.mdpi.com/2304-8158/12/20/3748>

#### **Personal Interests:**

Digital and traditional art, piano, reading, and listening to ABBA.

#### **A Fun Fact:**

In 2022, I was in the top 0.01% of ABBA listeners on Spotify.
