

Dear Faculty and Staff,

We invite you to join feedback sessions to raise awareness and provide insights on the Workday Student Project at GVSU. These sessions will help us better understand your needs as we develop the project. As a reminder, Workday Student will replace and modernize many of GVSU's current Banner functions starting in 2026. Explore more about Workday Student on the [official project website](#).

In-person sessions will take place on November 7 and 8 at both the Allendale and Grand Rapids (Pew) campuses. Virtual sessions will be held on November 11 and 13.

All sessions will encourage open dialogue, and your feedback will be valuable as we make decisions in our implementation of WD Student. We strive for a supportive, collaborative environment throughout the implementation process.

If you can't attend a session, complete [this brief survey](#) by November 13 to ensure your voice is heard. Attend a session or complete the survey, and you'll be entered into a drawing for a Laker Store prize pack.

Thank you for your commitment to our community. We look forward to your valuable contributions!
