<https://makingchoicesmichigan.org/>

We provide guidance and expertise for individuals to help them discuss, decide, and document their goals and preferences for future healthcare and create their plan. This takes place through conversations with trained facilitators. Steps to creating a healthcare plan include:

- Initial Conversation - A trained facilitator will guide you through the process of identifying a patient advocate and documenting what's important to you to live a good life. The facilitator will meet you at your location of choice.
- Choose your Advocate - The facilitator will help you talk to your chosen advocate and communicate your wishes for your future care.
- Document your Preferences - The facilitator will assist in completing the necessary legal forms.
- Register your Preferences - The facilitator will provide an opportunity to register your documents with Great Lakes Health Connect's secure records, which will make your preferences available to a state-wide network of hospitals and care organizations. By registering your document, healthcare providers caring for you will have immediate access to your wishes.

Adult Guardianship

Kent County Probate Court

616-632-5440

https://www.accesskent.com/Courts/Probate/petition_adult.htm

A guardian of a legally incapacitated individual is a guardian of an adult appointed under the Estate and Protected Individuals Code. Any person interested in the adult's welfare, including the adult, can file a petition by using the form found on the website. The petitioner must prove that the adult meets the definition of "legally incapacitated individual," which is found on the website.

At Varnum, we believe that each person has a vision for life and the legacy he or she will leave behind. The vision changes and matures, but at any one time it is expressed as an objective or goals for the future. It often includes an element of financial well being, perhaps centered around the need to preserve, manage and transfer acquired wealth. The vision may include a desire to assist family members and other loved ones to enable them to achieve their potential and their own vision. People also look to give back to the community that helped them succeed through charitable giving.

The Estate Planning Services offered by Varnum provide a unique opportunity to share the hopes and expectations that make up your vision for the future.
