Report from the Chair: UCC Chair will go to ECS Friday to discuss relationship between Graduate Council and UAS standing committees. Three new program prospecti were recently approved by the prospectus committee.

Report from the Provost: University is being mandated to report transfer credits that we do not accept for credit at this time to the state. Initial numbers have been determined at this time: courses GVSU never accepts-remedial courses (24%); 5,396 course that GVSU does not accept for transfer credit, out of 47, 361 total transfer courses (11%). Some students apparently try to transfer credit from a course taken at one institution and then repeat the course at GVSU and count both courses-this is not acceptable; no comparable course to transfer to at GVSU-27%, for instance. How best to deal with this, etc. and what this means was the topic of the ensuing discussion.
