Andrew Schlewitz, Grand Valley State University

Michael Wroblewski, Grand Valley State University

Bios of keynotes:

Edward B. Westermann received his doctorate from the University of North Carolina, Chapel Hill and is a Regents Professor of History and a Piper Professor of 2023 at Texas A&M University-San Antonio. He has published extensively on the Holocaust and military history, and he is the author of *Hitler's Ostkrieg and the Indian Wars: Comparing Genocide and Conquest* (Oklahoma, 2016), *Hitler's Police Battalions: Enforcing Racial War in the East* (Kansas, 2005), and *Flak: German Anti-aircraft Defenses, 1914–1945* (Kansas, 2001). He is a former Fulbright Fellow at the Free University of Berlin, a three-time fellow of the German Academic Exchange Service, a Fellow of Keene State College's Genocide Studies and Prevention Program, and a J.B. and Maurice C. Shapiro Fellow at the USHMM. His latest book, *Drunk on Genocide: Alcohol and Mass Murder in Nazi Germany* appeared with Cornell University Press in 2021 and received the 2023 Yad Vashem International Book Prize for Holocaust Research.

Dessa Bergen-Cico, PhD, is a Professor in the Department of Public Health, a core faculty in the Renee Crown Honors Program, faculty member in and Neuroscience, and Coordinator of the Addiction Studies programs at Syracuse University. In addition, Bergen-Cico is an Affiliated Investigator of the Veterans Healthcare Administration, Fellow of the American Academy of Health Care Providers in the Addictive Disorders, and Certified Addiction Specialist (CAS). Bergen-Cico has been received two Fulbright Scholar awards which embedded her in the Republic of Georgia, Thailand, and Cambodia. Since 2010, she has worked in collaboration with the Council of Europe to provide education and trainings in drug policy and the impact of conflicts and geopolitics on substance use across Europe. Her areas of teaching and research focus on alcohol, other drugs, and addictive behaviors and geo-politics of drug policy in addition to evidence-based interventions for veterans and civilians PTSD and substance use disorders. She has authored more than 50 scholarly publications, including the book *War and Drugs: The Role of Military Conflict in the Development of Substance Abuse*.

Peter Andreas is John Hay Professor of International Studies at Brown University. He has authored, co-authored, or co-edited eleven books, including *Drug War Politics* (University of California Press, 1996), *Policing the Globe: Criminalization and Crime Control in International Relations* (Oxford University Press, 2006), *Smuggler Nation: How Illicit Trade Made America*

(Oxford University Press, 2013), *Border Games: Policing the U.S.-Mexico Divide* (Cornell University Press, 3rd edition, 2022), and *Killer High: A History of War in Six Drugs* (Oxford University Press, 2020). Andreas is currently completing the book, *The Illicit Global Economy: What Everyone Needs to Know* (under contract with Oxford University Press). Andreas has also presented congressional testimony, given frequent media commentary, and published essays and op-eds for a variety of outlets, including the *New York Times*, the *Washington Post*, the *Boston Globe*, *Time Magazine*, *Slate*, *The New Republic*, *Harpers*, *Foreign Policy*, and *Foreign Affairs*.
