

## Center for Scholarly and Creative Excellence

# RESEARCH & INNOVATION AT GVSU

Hello colleagues! It's the perfect time of year to remember for what you are thankful. We are thankful to have the opportunity to support all the great the work you do.

### Proposal Deadlines

The second round deadline for the [Catalyst Grant for Research and Creativity](#), [Collaborative Research and Creative Activity Initiative](#), and [Affiliate Faculty Support Fund](#) will be here before you know it. There are **two remaining submission cycles this year** with deadlines on **February 1st** and **March 15th**.

---

## Center for Undergraduate Scholar Engagement

### *Office of Undergraduate Research and Scholarship*

### Student Summer Scholars Program

The applications for the [OURS Summer Scholar Programs](#) are now available.

The Student Summer Scholars (S3) and the Modified Student Summer Scholars (MS3) programs provide funds for a student and faculty mentor to devote time to a research and/or creative project during the spring/summer semester. Generally, S3/MS3 grants provide a student stipend, a faculty stipend, and a small budget for supplies. Applications are due **January 31, 2025**.

---

# Office of Research Compliance and Integrity

## Traveling internationally over the semester break?

Export control regulations are frequently changing and may apply to your planned international activities. Please [contact](#) the [Office of Research Compliance and Integrity](#) at least 30 days (if possible) prior to departure if you will be traveling internationally on behalf of GVSU and/or taking any GVSU equipment, such as a GVSU laptop. ORCI staff will review your planned activities and alert you of any potential export control concerns/restrictions. Note that the office will be closed while the university is closed over winter break (**December 21 - January 1**).

## Recruitment Requests from External Researchers

If a non-GVSU researcher has asked you to disseminate a recruitment announcement to GVSU students, faculty, or staff for participation in human subjects research, please instruct the external researcher to complete the form located on the [External Research Recruitment Request webpage](#). The ORCI will review the request to ensure GVSU is not engaged in the research and will reach out to the appropriate unit(s) to determine if the researcher has permission to move forward with recruitment at GVSU.

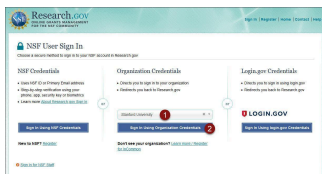

---

# Office of Sponsored Programs

## OSP Meet & Greet

The Office of Sponsored Programs warmly invites you for an afternoon of camaraderie with fellow creative research enthusiasts! Whether you're new to GVSU and are looking for research support, or a seasoned grant recipient with wisdom to dispense, we would love to see you there. We'll be at the New Holland Brewery in Grand Rapids, **Tuesday, November 12th, from 3:30-6:00pm!** Space is limited and filling fast, so be sure to [RSVP soon](#).

## Research.gov and Login.gov now require Multi-Factor Authentication (MFA)

As of **October 27th, 2024**, research.gov and login.gov now require MFA at log-in. Next time you log-in to research.gov using your NSF credentials, you will be prompted to set up verification, using your phone, an app, or a security key. Login.gov is offering two options, and you should choose "Security key." It will imply you need a physical USB key, but in fact, you can also set it up to authenticate via your phone. Because so many users are updating their accounts at the same time, there have been delays and glitches, so be patient.
