Agenda passed out

Item 1: Introductions

The meeting began with introductions of the subcommittee members present. Tom Williams joined the subcommittee today. He was introduced to the Lower Grand Project at the 10th Annual Growing Communities Conference sponsored by the Grand Valley Metro Council. Mr. Williams is employed with V3, a consulting, construction and real estate organization focused on land, infrastructure, development and natural resource service.

Item 2: Report on Lower Grand Display at the 10th Annual Growing Communities Conference

Laurie Beth Nederveld addressed the committee regarding her attendance at the 10th Annual Growing Communities Conference. Ms. Nederveld attended the conference and staffed the Lower Grand River Project booth. It was decided that the Land Use Planning fact sheets left over from the conference would be disseminated internally at the Forum.

Item 3: I & E Materials

- The bags for the Resource Packets have been received as a donation from Wolverine Leathers in Rockford.
- A sign up sheet was passed around for members to order Subcommittee Binders/Covers.
- Handouts outlining possible pictures for the Watershed Interactive Tool (WIT) were presented with the hope that various members will gather this information to be used in building a paramount website.
- The Fall News Insert article assignments have been postponed until the I&E strategic plan is readdressed.

Item 4: Next meeting

With the close of today's meeting a future meeting was set for June 27, 2003 at 9:00 a.m.
