

ISTUDENTS | FALL 2024

HEALTH INSURANCE

GENERAL INFO.

- Health insurance in the USA is extremely costly & can be very confusing
- Medical bills can also be very expensive, so having health insurance in the U.S. is very important
- U.S. health insurance doesn't typically cover dental or vision care

LEWERMARK

- GVSU has a mandatory health insurance policy for all international students
- The coverage is brokered by the company LewerMark
- Put in place to be as convenient as possible for international students & is very good coverage
