

Staying Safe

Be observant of surroundings

Do not keep valuables out in open

Avoid risky situations

Situational awareness

Meeting People Online

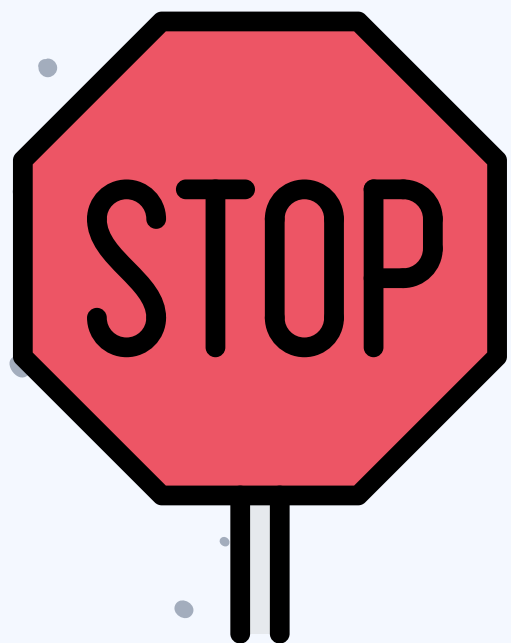

We DO NOT recommend meeting people online

BUT-if you do, communicate with your faculty

Tell them who, where, and when

Communication is key

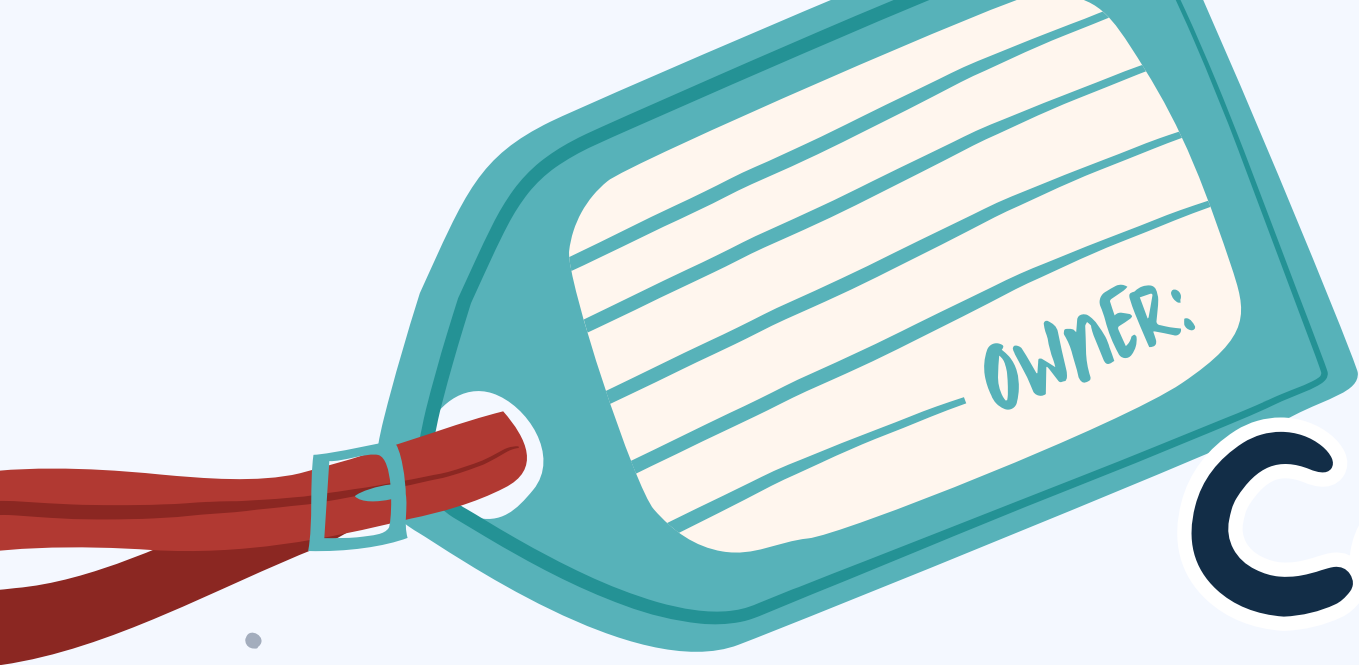

Staying Aware

Know the local laws

Know the culture norms

Be aware of current events within country and surrounding countries

Communication

Let your Program Director know if something is bugging you

Communicate non-group travels

Your Director has your best interest in mind, so keep them in the loop with what is going on
