"Meet the Employers" Event- January 31

Hello Business and Economics Students!

The economics department & GVSU Economics Club are hosting the 4th annual "Meet the Employers" event on Wednesday, January 31st from 5:00-7:00 in the evening. Whether you are just starting out in the business school, or are about to graduate, come mix with employers from all over West Michigan and learn what careers you can pursue with your major.

Pls. sign up on Handshake if you are interested in attending:

https://gvsu.joinhandshake.com/career_fairs/46975/student_preview?token=15OMONr88AMBXcPEh88hVtbq5DZVVAIXveQlvH25r-aW44bFmw1lxg

The event is intended to do several things:

- 1) provide information to students about general career possibilities that might be available to them with a degree in economics
- 2) provide an opportunity for students to learn directly from employers about specific jobs and/or internships that might be available to them
- 3) generally, provide an opportunity for students to network with business professionals

We are still finalizing our list of employers who will be participating, but among the confirmed participants are:

All-In Restaurant Group
Gordon Food Service
Northwestern Mutual of West Michigan
Amazon
Madcap Coffee
Priority Health (Corewell Health)
Amway

Mercantile Bank
RDV Corp
Fifth Third Bank
Mill Steel Company
United Wholesale Mortgage

We will start with introductory remarks and an introduction of the employers. Then around 5:15 students will move into groups of 7-8 to begin meeting with employers. Each employer will be at a round table where students can ask them questions about careers available at their company, internships, and other job-related topics. After 8-10 minutes students will move to a different table. The event will end at 7pm.

This is a great opportunity not only for upper-level students who are actively looking for jobs, but also for all students who are interested in learning what sort of careers might be available to them with a degree in business and/or economics.

Please contact Professor Muller if you need further information. We look forward to seeing you there!

Associate Professor of Economics
