POLICY STATEMENT

Guidelines for Implementing Reduction in Faculty Due to Changing Enrollment Patterns

The following guidelines should be followed for any reduction in workforce. See Board of Trustees' Policies [BOT 4.2.15](#) for additional information.

A. Role of the Unit

The unit is evaluated with respect to the University's role and mission, and the University curriculum, as well as its relationship to other programs in the region and state.

B. Enrollment History

The enrollment history is evaluated on the basis of a list of the full-time equivalent students (FTES) taught by the unit.

C. Efficiency

In addition to the student/faculty ratio, both cost per student credit hour and teaching load are examined.

D. Number of Majors

The number of majors for a unit reported for each year is reviewed.

E. Service Factor

The service factor measures the dependence of other collegiate units on the one being evaluated. This evaluation is based on the number of credits taught by the unit to majors not their own (balance of trade) as well as by an examination of general education and cognate requirements.

F. Professional and Community Contributions

The professional and community contributions by the unit are considered. Sources of such information include unit evaluations, consultant reports, and departmental records.

G. Future Demand

The future demand for the unit is a judgment based on the impact of additions, deletions, or modifications in programs. In addition, changes in institutional need and external conditions will be considered.

All data to be provided by the [Office of Institutional Analysis](#).

POLICY STATEMENT

SG 6.01 Unit Head Responsibilities

Policies relating to the appointment, term and evaluation of unit heads are covered in a document approved by UAS February 11, 1983 with [a revised version approved by UAS on April 10, 2009](#). Among the provisions of this document are the following:

- A. Each academic unit shall have a unit head; this person will be designated as chairperson or director based on the nature of the unit involved.
- B. The authority to appoint the unit head is vested in the dean of the college. When there is a vacancy in the position of unit head, the faculty of the unit shall meet, and, after deliberating among themselves and in consultation with the dean, shall recommend a nominee or nominees for appointment as unit head. Normally, the dean appoints the nominee recommended by the unit. Should the dean appoint a unit head who has not been recommended by the unit faculty, the dean shall communicate the rationale to the unit. If the unit is not able to make a nomination, the dean shall make an appointment.
- C. Normally the appointment will be for a three-year period. A unit head may be reappointed when eligible.
- D. There shall be a formal evaluation of the unit head every three years, resulting in a written statement. This report will be shared by the dean, the unit head, and the faculty involved, and be restricted to these persons. This evaluation shall be carried out by the associated unit faculty and the administrators within University, college, and unit personnel guidelines. This evaluation shall be based on the performance of the unit head in carrying out the duties and responsibilities of the position. This evaluation neither precludes nor takes the place of the usual faculty evaluation for tenure, promotion, or contract renewal.

E. All appointees shall have faculty status, or have the academic credentials to be awarded faculty status, with the associated responsibilities and benefits of faculty rank.

Characteristically, unit heads will be senior faculty, with tenure, chosen on the basis of their ability as teachers, their experience in their discipline, and their leadership capabilities.

On March 30, 1983, ECS also adopted a report on the "Duties and Authority of the Unit Head" which outlines the responsibility, authority, and interaction of the dean and the unit head.

"The dean of the college has the administrative authority and responsibility for all academic aspects of the college. . . The dean can and usually does delegate some responsibility and authority to unit heads or coordinators." Areas the unit heads deal with include but are not limited to the following: fiscal matters; personnel matters; teaching; scholarly, & research activities; professional conduct matters; faculty absences; office assignments; meetings & communications; secretarial & technical services; faculty assignments; adjunct faculty; curriculum; library resources; course scheduling; student relations & advising; student help; equipment, facilities, & records.

POLICY

Undergraduate Student Employees

Full-time students enrolled at the University may be hired as student employees. All units should have a budget allocation for student employees. Wages paid to a student employee must follow the wage schedule available in the Student Employment Office. In addition, when classes are in session students without work-study are not permitted to work in excess of 25 hours per week. Students with work-study are restricted to the number of hours according to their work-study award. Work-study and regular student employees must be paid an hourly

rate and hours-worked reported in the University's electronic time keeping system. Faculty members should communicate their needs for student employees to their unit heads. All student employees must complete the online training session with their supervisor to work as a student employee of the University.

Student employees may assist in departmental operations, tutoring, and laboratory and studio sessions under the direct supervision of appropriate staff and faculty. Student employees may also assist in the evaluation of student exams and assignments, provided that they have been approved by the Dean of the unit in which they work and they have completed FERPA training offered by the university. The scope of their assistance, including questions on access to gradebooks, are addressed in the FERPA training. Student employees are expressly barred from providing independent instruction in the classroom. They are also barred from administering or proctoring exams and assignments without faculty or approved staff supervision. Student employees may not be exposed to confidential personnel matters or academic records that are irrelevant to their work assignment.

This policy does not apply to graduate student assistants.
